

AOne Species

Mitra Speculation

Company Profile

We "Mitra Speculation" established in the year 2016 are a well-known name for exports and imports. We do species, dry rations, fruits, vegetables, and seafood Exports to countries such as Germany, Swiss, India, Canada, UK and Dubai. Due to high demand we started our sister company in the name Akshaya Products PVT (LTD), with the brand name of AOne.

AOne products reflect the culture of our rich country. We have started manufacturing of Authentic Sri Lankan Spices such as Chili powder, Chili pieces, Curry powder, Turmeric powder, Pepper powder, Cardamom and Cinnamon etc . In A one we make sure that the spices powders made in our industry matches International Standard and are manufactured using the best quality. The quality of our Product can be trusted, since we manufacture our products under strict quality control measures. We ensure our consumers to provide best product with most competitive rates.

Our Mission

The mission of AOne brand is to provide our customers with high quality with delicious tasting. We do this by sourcing, processing and delivering single spices, herbs, and all agro products in an economically efficient and quality consistent way.

"QUALITY DETERMINES OUR SUCCESS."

Our Vision

We are always looking for ways to deliver the finest quality of spices at the most affordable prices. We secure an uninterrupted supply of authentic, natural and food safe spices. We commit to the importance of developing a sustainable supply chain. Therefore we invest in people, in relationships, in order to be partners.
